2010-2011 Pronghorn Booster Club

Gillette College

pronghorns

Complementing Gillette College's outstanding academic record is its nationally known athletic program.

Join alumni and friends in support of this program, which has the potential to attract new talent to the college and new vibrancy to the community.

Your support today of Pronghorn rodeo, cross-country, track and basketball will establish a legacy of athletic excellence in Gillette, and in return, you'll enjoy direct involvement in the athletic program. We welcome gifts of any amount, and offer several levels of membership - each with its own benefits - to express our thanks.

Women's Basketball

- Defeated Sheridan College to claim the coveted "Bronze Ball" for the coming year
- Finished in the top twenty nationally in three team shooting categories
- Played before capacity crowds throughout the season at South Campus
- LaTeesha Nez, Region IX All-Region
- Katie Strandholm, WCCAC Honorable Mention All-Conference

With a veteran corps of returning sophomores and a talented group of incoming freshmen, this year's version of Pronghorn Women's Basketball should be even more exciting and more fun to watch than last year. The Pronghorn women are poised to position themselves as one of the elite programs in Regional IX in the 2010-2011 season.

Rodeo

- 2010 National Champion Women's Team

2010-2011 looks to be another strong year for the women with Jordan Thurston and Chelsea Moore returning and a number of new outstanding recruits. On the men's side, things look good as well with a combination of some outstanding returners and high quality new recruits. Both teams are again poised to compete for regional and national titles.

Men's Basketball

- 17-13 record in the first year of program
- Second place finish in the Central Sub-Region
- DeJuan Wright, WCCAC MVP, Region IX All-Region

- Shawn Neary, WCCAC Co-Coach of the Year
- All four sophomores received four-year scholarships

The Pronghorns are looking to build upon the momentum created by last year's teams accomplishments. An outstanding recruiting class with a solid group of returners should make the Pronghorns a very competitive team for the 2010-2011 season.

The men's team looks to continue building from their accomplishments last year. The return of Hayden Hohnholt and a solid incoming class hope to break the Pronghorns into the top 15 nationally for cross country, and aim to challenge for a national championship in the half marathon. The women's team returns 3 runners from last year's 11th place finish in cross country, including Ruger and Dellos. A solid and local incoming class of runners will add depth to the team which will aim for another top 15 team finish for cross country, and individual glory on the track.
